Friday, 8/2 looks like Sarah is open all day... That works with my schedule too.

I'm in training the week of July 22, so I'd prefer the week of 7/29, and later that week.

Hey folks:
Let's lock in a date for the NOV/FOV conference in July.
I think I remember hearing something in the July 20's?
I am free that whole month so just let me know what dates work for everyone.
Thanks!
